

Title

Volunteer Photographer

Purpose

We would love to have a volunteer photographer to work with our team at these events. The photographs taken at events are used on social media, on our websites and in print, for example our membership newsletters and annual reports.

Location

Belfast, Strabane and Omagh

Tasks

- Ensuring everyone we are photographing understands what they are consenting to and signs our photography consent form if they are happy for their image to be used
- Consent is obtained from the parent/guardian/carer of a child or young person up to the age of 18 (this is called 'parental consent').
- If you are taking images at a large event you look to see if anyone is wearing a badge that means no photos
- Ensure that you record the names of individuals within photographs
- Maintain a positive and professional image of the organisation at all times

Time Commitment

- Talks are organised either during the day or in the evening at the convenience of the volunteer and organisation
